

Backpacks

Children are often tasked with having to carry many items to and from school or from classroom to classroom. Backpacks have become the first choice in accommodating this task and can become a financial burden to underprivileged, less fortunate families. Our line of stylish Student Body™ backpacks come in an assortment of attractive, gender-neutral colors to blend in with retail backpacks and ensure the child will not be stigmatized by others as underprivileged. Our Student Body™ backpacks are also made from sturdy polyester and nylon materials that come with padded backs and adjustable shoulder straps to ensure comfort.

A sample is available for the backpack(s) of your choice upon request. Additional style backpacks are available, including clear, mesh and drawstring.
